**Lunch Served
11:00-12:30**

Did You Know?

A Presidential Vegetable
George H.W. Bush wasn't the only president to have an opinion about broccoli. A couple centuries before, Thomas Jefferson was a big fan of the vegetable. In fact, he might have been the very first broccoli grower on the continent! Historians believe that Jefferson brought broccoli seeds from Italy to plant on his estate in Monticello in the late 1760s.
